SOCIAL PROJECT FOR PANCIU LOCAL COMMUNITY

**EDUCATIONAL DAY CENTRE “PINOCHIO” WITH A
CANTEEN AND RECREATIONAL AGGREGATION
CENTRE
FOR CHILDREN AND YOUTH IN PANCIU**

OUR OBJECTIVES

- To contribute to integration, dialogue and psycho-social development of minors and youth in Panciu, with specific attention to disadvantaged children. To promote the voluntary service as a value of active and European citizenship.
- This project aims, through the creation of a day centre accredited with activities of non-formal education, at lessening those causes which generate the vicious circle of poverty, social alienation, and the effect of “social diseases”, such as illiteracy, school abandon and youth unemployment.

ACTIVITIES

- Literacy campaign
- Hygiene
- Environmental education
- Expressivity through game and art
- Theatre and jugglery
- Music
- Sport
- Youth exchange through European projects
- European Voluntary Service
- Sensitization campaigns to social issues for the local community
- Provisions for disadvantaged children
- Offer of voluntary service opportunities for youth of our town

EXPECTED RESULTS

- An educational day centre accredited with a day canteen for children
- Decrease of school abandon and drop of illiteracy rate
- Formative and voluntary service opportunities for youth
- Local, national and international public events
- Reduction of social exclusion
- Reduction of phenomenon of street urchins in the town
- Visibility for our town at county, national and international level as good practice of social inclusion
