Activities

The project will include volunteers from different EU countries; according to their interests/competences they could be involved in different socio-educational activities:

- at the Daily Centre Pinocchio directly managed by the Applicant organization and accredited as social service provider. Beneficiaries are disadvantaged children (3-16 y.o.) and their families.

From Monday to Friday, ESC volunteers' tasks can make workshops on recycling, games, crafts, cinema and sports activities, organization of special events (Christmas, Carnival masks, games with Easter eggs, birthdays); activities related to the promotion of healthy life (culinary workshops with typical recipes, hygiene, breakfast "at the statue" in front of the school, social canteen); and if a volunteer is interested in social media, he/she can publish posts on the Applicant's Facebook page, updating of website with witnesses, pictures and videos.

- at the Kindergarten nr. 1 of Panciu (children 3-6 y.o.) belonging to the Technological High School "A.I. Cuza": ESC volunteers will develop educational non formal activities like creative workshops on recycling, music, painting, theatre, use of different materials to develop physico-physical sensoriality, like for example create environments, scenarios and stories with the children in order to develop children's emotional-social-cognitive development as well as volunteer's skills and creativity.
